About This Game

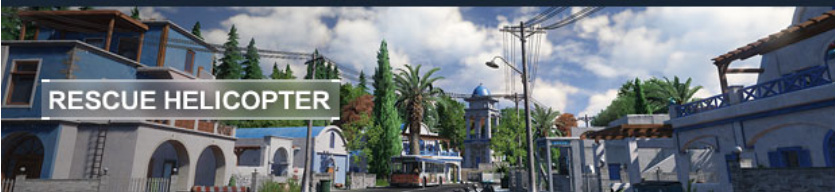

Ring of Elysium

Trapped in an area assaulted by natural disasters, the only way out is a rescue flight which can only save up to four people. Survivors must stay ahead of the approaching danger while eliminating competition.

REGIONAL TRANSFORMATION

The map is divided into predefined regions. The natural disaster will periodically transform the regions into a living hell. An inspired reimagination of the original Battle Royale movie settings, fueling a truly unique and memorable survival experience.

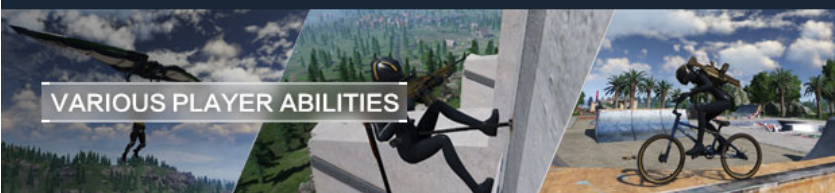

RESCUE HELICOPTER

The goal is to board the rescue helicopter, which opens new strategic possibilities in the Battle Royale genre.

CONVINCING NATURAL DISASTER

Highly detailed presentation of natural disasters will provide the ultimate survival experience. The game world will change dynamically as the disaster progresses.

VARIOUS PLAYER ABILITIES

Gliders, BMX bikes, grappling hooks... Throwing extreme sports into the mix creates new playstyles limited only by imagination. While players fight their way through the disaster, how best to utilize these abilities often mean the difference between life and death.

HIGHLY COMPETITIVE

Satisfying gunplay built on great netcode provides an ideal environment for competitive players and others alike.

Developer Face-to-face (4.6.2019) : Hi Adventurers! It's been another three weeks since the last issue of the Developer Face-to-face, a lot of the anticipated content has launched including the exciting pirate-themed Season 3 and the brand-new Adventurer Characters.. Early Access Patch Notes - 3.28.2019 : Dear players, Welcome to the latest official patch notes for Ring of Elysiums Early Access phase.. Early Access Patch Notes - 2.2.2019 : Dear players, Welcome to the latest official patch notes for Ring of Elysiums Early Access phase.. Early Spring card-flip raffle launches on Jan. 31st(PST)! Claim your Pickup truck special appearance! : Hello everyone! With the arrival of early spring, brand-new accessories + vehicle appearance system makes their debut! To thank everyone for their continuous support, we have opened the "Early Spring Card-flip Raffle" event! This time around, the card-flip raffle format is slightly different, players will have to complete a holiday mission in order to earn a card-flip opportunity. In addition, the event last 14 days, and players can claim the special Pickup truck appearance by simply accumulating 7 successful card-flips! The rules of the previous sweepstakes are slightly different. Players need to complete the festival task before they can get the lucky draw chance. The free sweepstakes last longer. Players only need to complete any 7-day mission within 14 days.. An update on our recent Anti-Cheat efforts : Dear players, Since our

comprehensive Anti-Cheat system upgrade on Jan. 27th (this includes technical upgrades and cheater behavior pattern analysis upgrades), a total of 5306 cheating players got banned. In addition, the amount of daily in-game reports dropped by 41%, and the number of convicted cheaters who got reported by more than 3 players dropped by 64% , the game environment has recovered to a healthy level similar to early January. This shows that the Anti-Cheat update has effectively alleviated the cheater problem and successfully protected the game's fair play environment. Combating cheaters will always be our long-term, top priority task. In the future, we will continue to delve deep in this direction, keep updating our Anti-Cheat system, and assure a high-standard, healthy game environment for all players. We hope that everyone will continue to help us by taking stand against any type of behavior that harms the game environment; report suspicious players via the in-game report system or our customer support email: roetencent.com . Thank you so much for your understanding and support.
