

[X-force BIM 360 Docs 2013 Free Download](#)

The screenshot shows the BIM 360 software interface. On the left is a Windows-style file explorer showing the path: This PC > Windows7 (C:) > Users > Luke Johnson > AppData > Local > Autodesk > Desktop Connector > BIM 360. It lists files like 'common.sqlite3' (28 KB) and 'Production_84178A91BE644D13577B26882DC0521083DFE0893A0DD41A8555C9A7354FEF2_cache.sqlite3' (368 KB). The main window is 'DB Browser for SQLite', displaying a table of files with columns for ParentId, RowLastModified, and RowVersion. The table contains 21 rows of data, including file paths and version information. On the right, there is an 'Edit Database Cell' dialog box.
